# Pursuing Victory With Honor<sup>sm</sup>

The CIF was formed, and had its humble beginning, during the 1914-1915 school year with only 65,927 high school students in California; it has been estimated that less than 8,000 boys were participating on their high school athletic teams. Today, California high schools boast over 1.8 million students and this past school year more than 800,000 students participated in education-based athletics in California.

During the past century, education-based athletics transformed from an important local community event to one that is frequently on broadcast television and the Internet with full-time websites dedicated to recruiting and blogging about teams, student-athletes and coaches. Most however, still refer to education-based athletics as the last "true amateur sport" venue in America, because our mission and value system is based upon the core foundation of student participation, sportsmanship and fair play. While professional sports, collegiate athletics and even most youth programs have moved toward a business model where finances, income and winning is the sole mission, education-based sports still remains dedicated to providing opportunities for kids to compete in a safe and fair environment.

Sports add richness to a school culture by providing opportunities for any student who wants them. It is the largest "elective" program on any high school campus. Nationally, and here in California, participation by students in high school sports programs is at its highest level in history proving the desire and need is vast. In the process of deriving enjoyment from participation in athletics (Number one reason kids play sports: Fun), our students are learning life-long skills that help them develop into healthy adults and productive citizens. National

research continues to validate that students involved in extra-curricular activities attend more days of school, perform better in the classroom, and have less behavioral issues at school; lower dropout rates and lower alcohol and drug abuse rates, than students who do not participate. The data and the lists of participation benefits are endless.

It is true that we occasionally see acts of poor sportsmanship and behavior by a player or a coach, but the overwhelming majority of school contests reflect the positive elements of Pursuing Victory with Honor<sup>sm</sup>. True, the goal is always to win the contest, but education-based athletics, when done correctly, places the value of life lessons, character and sportsmanship ahead of winning. It is this ability of education-based sports leaders to keep athletics in its proper perspective that helps separate us from the rest.

It is vital that as parents, fans and education-based sports leaders that we remember that less than 2% of our participating students will go on and compete in college athletics. Kids participate in sports

because it's fun and the athletic fields and gymnasium classrooms our schools provide gives adults the opportunity to teach valuable lessons that might not be learned in any other environment. Creating life-long skills and helping create better citizens through participation in education-based athletics is the greatest gift we can give to the future.

We acknowledge that education-based, high school sports are enhancing students' lives, and ours, in ways that few other activities could. And we agree that, regardless of what side of the field we sit on, attending a high school sporting event is an uplifting, enriching, family-friendly experience for all of us. We would be remiss if the CIF did not thank our CIF family of corporate sponsors who contribute and allow for all of us to experience the joy of education-based athletics.

Help us create an atmosphere where the students of California gain a love of competition and personal growth that will help them mature into productive and caring citizens through their participation in sports. As you enjoy these Championship contest, please help by teaching and demonstrating respect. Displays of good sportsmanship will say positive things about you and your school community, and hopefully remind us all that in the end, sports are meant to be fun and enjoyed by not only those participating, but those in attendance also.

## A POWERHOUSE SHOWCASE

When a student-athlete is crowned a California State Champion, he stands alone. Unlike most states (45 of 50) pursuing multi-division formats for their year-end event, the state of California only has a single-division wrestling tournament. Throw in the fact that our state has nearly 40% more people than the next state ... the sheer scale of achievement in winning a state title is immense. As a result, the state tournament here in the Golden State is considered the toughest and deepest in the country. The season starts with over 27,000 competitors from 900+ schools. A series of qualifying tournaments dwindle that number to 560 total wrestlers (from 243 schools) across 14 weight classes. And in the end, after a brutal, two-day, double elimination journey, only 14 individual champions are crowned and 112 make the state podium on Saturday night (top 8 medals per weight class). Team trophies will be given to the four highest scoring teams. This season, like many before it, several powerhouse programs will stake their claim for the top spot. Can Buchanan claim their third straight title? Or will the stacked line-ups of Poway, Selma, Gilroy, and St. John Bosco surge to the top?

Welcome to the 46th edition of the California state wrestling tournament at Rabobank Arena!

**BUCHANAN** – After ending fierce rival Clovis' five year run as state champions (2011-2015) in 2016, the Bears themselves are entering dynasty-level territory, seeking their third consecutive state title. Qualifying all 14 starters to the state meet is a good start for the nation's 6th-ranked team. Leading the way is defending state champion **Anthony Montalvo** (182). He is supported by a formidable group ranked in the state's top 5, including #5 **Hunter Leake** (106), #4 **Maximo Renteria** (113), #3 **Ethan Leake** (126), #3 **Matt Olguin** (138), #5 **Chris Gaxiola** (145), #3 **Joel Romero** (160), and #2 **Trevor Ervin** (220). Also expected to make deep runs in the tournament are #7 **Tyler Deen** (132) and #9 **Tristan Zamilpa** (152). Coach **Troy Tirapelle** has a senior-heavy line-up (17 seniors on their roster and 8 in the starting line-up) that has returned the program to national prominence during the past four years: "It's their turn now to leave their mark, their legacy. Each class wants to one-up those that came before them – to write their place in the history of Buchanan wrestling and California's in general. I know they're excited, eager

for the day to be here." There is a certain amount of pressure to enter the state meet as favorites but Tirapelle believes his team will embrace their 'favorite' status: "We focus more on the fine-tuning and mental aspects of wrestling these last few weeks. We want to see our kids smiling and enjoying the process. It's about over so they should understand that everything they have done to this point is culminating into something special. Don't let it pass you by. I know the team wants nothing more than to keep their current streak alive. I'd have to say it's championship or bust at this point. It's the group that got the ball rolling, and they want to finish off what they started. They know that it is going to take everyone in order to make this dream a reality."

**POWAY** – This will be quite a historic weekend for the Titans. Their legendary coach of 40 years, **Wayne Branstetter**, is retiring after four state titles (as well as six runner-up and nine 3rd place finishes) and over three dozen San Diego Section titles. But not so fast ... could a fifth state title be close at hand? The Titans will do all they can to send off their long-time coach in grand style. Earlier in the season, they won the Reno TOC tournament, finishing ahead of Buchanan, who admittedly was missing several starters in the line-up. Could the Titans repeat this weekend, with both teams at full strength? Currently the 10th-ranked team in the country, the Titans also qualified all 14 to the state meet – and with points at a premium, Poway will need contributions from up-and-down the line-up. They are led by a seasoned quintet – #2 **Jason Miranda** (113), #4 **Jacob Allen** (120), #2 **Chase Zollman** (132), #1 **Dominic Mata** (152), #2 **Nathan Tausch** (182). Also expect strong performances from #8 **Josh Tolentino** (145), #8 **Calvin Naraghi** (160), #10 **Javier Espinoza** (220), and #9 **Andrew Johnson** (285). As always, Branstetter, who started his coaching career 45 years ago at Channel Islands, maintains a big picture view. "We have high expectations. Buchanan will be tough to beat, as well as Selma and Gilroy. We have run into these guys all year so it won't be any surprise." In terms of preparation for the weekend, he feels that the team has been ready for the challenge since day one. "Nothing has changed in our preparation," Branstetter explained. "I believe we are as ready as we can be. This is a great bunch of kids character-wise and wherever it ends up, it won't be from a lack of effort on their part. Regardless of where we end up, we want to enjoy the ride."

**GILROY** – Last weekend, Gilroy rolled through the Central Coast Section tournament for a 16th consecutive time, crowning 10 champions and compiling 373.5 team points – shattering the previous record (they set) of 297. With a dozen competitors in tow, the nation's 17th-ranked program is hoping this year will be their moment to shine after 13th straight top-10 finishes at the state meet. The Mustangs are led by three seniors, two-time state finalist #1 **Nico Aguilar** (120), last year's runner-up #2 **Antonio Andrade** (195), and three-time state medalist #3 **Alex Felix** (132). Not much would be sweeter than for all three to end their high school careers battling under the finals spotlight Saturday evening. Also expected to score significant points are #3 **John Fox** (152), #4 **Joseph Barnes** (160), #6 **Chase Saldade** (126), #6 **Nicholas Villarreal** (285), and #7 **Jayden Gomez** (106). Coach **Greg Varela** feels the final rung is within reach. "Our expectations are always set on gold. We believe we have a tough team that can throw punches with just about anyone. Our kids have competed together as a team their entire lives and I feel they have a sense of loyalty to each other ... more as a brotherhood than a program. We want to have the state championship, as does everyone else, but what I have really learned to do over the past nine years as head coach is to enjoy the journey a little bit more." The team had not competed at full strength until recently – and Varela believes the team can continue to build on last weekend's record-shattering sectional performance. "Our team is all – excited, hungry, raring to go. This will be a mental week more than anything. There really isn't another gear of conditioning that can be reached – we try to peak the guys so they feel rested but ready for triple overtime. The kids are very excited about breaking CCS records but they are mature enough to know our biggest challenges are still in front of us. We have momentum and energy in our room right now and they can't wait to leave for Bakersfield."

**SELMA** – After a 4th place finish in 2017, the Bearcats started the year with March 3 circled on their calendar – they day the team envisioned would be the final step in a long journey for state glory. With 12 state qualifiers, Selma is in serious contention to win an elusive state title (finished runner-up both 2009 and 2010). The margin should be slim amongst the top 4 in the team race so the Bearcats will need plenty of competitors to peak this weekend. Two will enter with #1 status, freshman sensation **Richard Figueroa** (106) and junior

# 2018 State Championship Preview

**Christian Rodriguez** (170). They will be supported by a strong core including #2 **Tony Mendoza** (145), #4 **Jace Luchau** (152), and #5 **Tristan Lujan** (113). Rounding out the strong line-up are #6 **Robert Areyano** (132), #8 **Luis Ramos** (138), #8 **Xavier Moran** (285), and returning state medalist #11 **Oscar Diaz** (160). Coach **Sam Lopez** explained that his team, ranked 14th in the country, has a target firmly in its sights. "We are in pursuit of our first state title. We are expected to finish somewhere in the top 3. Coming into the tournament, we feel if everyone wrestles to their full potential, we can produce eight state medalists. It comes down to each individual, to reach down deep, and win those crucial must-win matches." Lopez and staff will focus on hard drilling and situational wrestling but without overdoing it: "The atmosphere in the room is relaxed and one of having fun. 'This is What We Train For.' Our mindset is that we can't wait for Friday. We are excited and look forward to the Big Show. Win or lose, Selma plans on putting on a show for all California wrestling fans."

**ST. JOHN BOSCO** – With a second consecutive Southern Section title in tow, the Braves have positioned themselves as a contender for a state team trophy. Qualifying a program record, 10 wrestlers, to the state meet (including an enviable nine who are underclassmen), St. John Bosco is building towards both a strong showing this weekend as well as for the years to come. A top-ranked pair anchors the team's efforts – juniors **Antonio Lorenzo** (113) and returning state champion Cleveland Belton (126). Also targeting their first trips to the medal podium are #5 **Sonny Santiago** (138), #8 **David Aranda** (220), #8 **Christian Nunez** (120), #9 **Nathan Haas** (170). Coach **Jeff Anderson** believes the team is rounding into form. "I think we can earn a top five finish this year. We just came off a great Masters performance and if the guys keep wrestling like that, we can get a bunch of them on the podium. At this point in the season, the work has been done and it's all about how bad you want it ... and our boys want it bad." Though the state symbolizes the end of the season, Anderson maintains a long-term view, especially for his young squad. "This is another stage in the process. It's one of the best weekends of wrestling and such a great tournament where anyone can truly make a name for themselves. I'm looking for inspired performances from all our boys because I know they have it in them. They want to showcase who we are and what we can do. We talk about bringing the state

title back to Southern California and the boys know it's going to take an unreal effort to achieve that. Then I'm looking for them to show up on Monday to get back to work."

**OAKDALE** – A top five finish is within sights for the Mustangs, who finished 7th in last year's tournament. They qualify eight competitors, including last hurrahs for #1 **Colbey Harlan** (195) and #3 **Jake Ryan** (145). Both will continue their wrestling careers in college – Harlan at Stanford and Ryan at Cal Poly SLO – but there's unfinished business to tend to with Harlan seeking his first state title after a runner-up finish last season and Ryan targeting his first state medal after injuries plagued most of his time in high school. They will be joined by #5 **Gabe Martinez** (170), #9 **Ricky Torres** (138), and #10 **Henry Porter** (120). Coach **Steve Strange** keeps the philosophy simple, taking it one competitor at a time: "Our expectation is for each of our wrestlers to be at their best this weekend – the team is ready to go physically and mentally. If everyone does their job hopefully we can be in the competition for a team trophy on Saturday. But we are all excited and anticipating another great weekend at the state tournament."

**CLOVIS** – For many coaching staffs, it would be a career year to have a team reach #7 in state and attain a #37 national ranking, but with the Cougars, it's been a difficult year. Yes, the benchmark is quite different for the biggest-of-the-big – Clovis has a record 13 state titles in their trophy room and has seemingly established permanent residence among the state's top 3 – and speaks volumes to the program's ability to churn out top finishes year-in, year-out. But in a reload year, there are plenty of storylines for the Clovis faithful. The Cougars are led by #1 **Seth Nevills** (285), one of the greatest wrestlers in state history and a shoo-in favorite to win his fourth state title. Yes, anything and everything can happen but Nevills is on a clear path (he has never lost to an in-state opponent) to becoming only the third CA wrestler to ever win four state titles. He will be joined by #5 **Jacob Good** (195), #6 **Giano Petrucelli** (113), and #7 **Brandon Paulson** (120), and #8 **Justin Mouritsen** (106). Coach **Adam Tirapelle** believes his team can make a run into the top 5, a spot Clovis hasn't missed since 2006. "This has been a tough year for a number of reasons and we're just looking to compete and represent ourselves to the standard we've set over the years. Realistically, if we could finish in the Top 5, that would be a very successful

finish." Out of team's nine qualifiers, only one is a senior – the esteemable Nevills. Tirapelle feels it'll be a good experience for the young squad. "The kids that have done the work are excited to see how it plays out. We'll have a few getting their first taste all the way up to Nevills. It should be a fun weekend."

**SANTIAGO** – Two title favorites, both unbeaten this year against CA competition, will make or break Santiago's run into the top 10. The team is led by senior **Josh Kim** (152), who was a state-runner-up last year, and defending state champion **Jesse Vasquez** (132), who is seeking his second title in as many years (won last year as a freshman at the 113 weight class). They will be joined by another contender for state gold, #4 **Brayden Ray** (220). Coach **Scott Lawson** is confident the group will have a weekend to remember: "We are peaking at the right time and hoping to bring home some gold medals. Vasquez has been dominant this year and looks to add his second state title. Kim is seeking the gold as he continues to climb from a bronze medal as a sophomore and a silver medal last year as a junior. Ray is making his third consecutive state appearance and is not only looking to finish on the podium, but at the top. Adding to the excitement is our sophomore 106 pounder **Troy Tadros**, making his first trip to the state meet and gaining invaluable experience. Everyone is healthy and looking forward to an exciting weekend in Bakersfield!" Coach **Phillip SanAngelo** agrees, "We have a chance to have three state champs – we have two #1 seeds and a #4 seed – and the team's mindset is ... we want those three state champs!"

**CLOVIS NORTH** – The Broncos rounds out what is the strongest concentration of elite wrestling in the state, if not the country. With #1 Buchanan, #3 Selma, and #7 Clovis within a half-hour drive, it can be convenient to overlook Clovis North, but bypass this team at your own risk. The Broncos feature one of the best freshman wrestlers in the country in #2 **Ryan Franco** (126). Also two elite sophomores are in the mix with #3 **Carlos Negrete** (106) and #5 **Devin Murphy** (120). Another medal hopeful is #10 **Lajon Grier** (132). A season highlight included their highest ever finish – 2nd – at the Yosemite Valley divisional tournament, right behind Buchanan. Coach **Ben Holscher** will bring a program-record-breaking nine qualifiers to the state meet. "North wrestling is ready to scrap. Our goal as a team is to bring a style to each match that is entertaining for the

# 2018 State Championship Preview

fans. We want to score as many points as possible, in every situation we can, and when the match is over, we want everyone in the arena talking about how hard our guys wrestle. Our goal is to bring the fight each time and the results will take care of themselves! Our kids have worked very hard this year and wrote some pages in the North record books ... and they plan to write some more pages this weekend."

**VACAVILLE** – Coming off their second consecutive and 18th overall Sac-Joaquin Section title, the Bulldogs are confident they are peaking at the right time. With nine qualifiers, including a pair of #2-ranked competitors in **Lawrence Saenz** (138) and **Jake Levengood** (285), Vacaville are targeting a top 5 finish as their ultimate goal. Coach **Clint Birch** feels his team is well-prepared: "We're really doing nothing different than we always do, just trying to build on our strengths and eliminate our weaknesses. We love the challenge of the day and the state meet provides several challenges for us to overcome, so we have to be tough!" Birch believes the tournament will be an exciting experience for the entire Vacaville wrestling community. "The coaches, wrestlers, parents, and fans of this year's team are fired up and ready to take on the best there is in the state of California!"

**RANCHO BERNARDO** – Having finished 22nd and 13th during the past two state meets, the Broncos are hoping to continue their upward trend for a top 10 breakthrough in 2018. Rancho Bernardo will bring a sizable group of led by a trio of elite underclassmen – #1 **Jaden Abas** (138), #9 **Tyler Badgett** (145), and #10 **Jaden Le** (126). Abas will be seeking his first state title after achieving silver and bronze his first two years while Le and Badgett are in the running for their first state medals. Coach **Joe Terribilini** feels the team is hungry and ready to compete: "Our expectations are to wrestle to our ability and see where we stand when it's all said and done. Being in the top 10 would be a great achievement for our athletes. We have nine qualifiers that are at various levels so we are hoping they all continue to peak and the right spots on the medal podium will find them!"

**DE LA SALLE** – The Spartans are hoping that the momentum built in winning their 8th North Coast Section team title in nine years will transfer over to success at the state level later this week. Leading the team's hunt for a four consecutive top 10 finish and potential entry into the top five is #1 **Peyton Omania** (145).

He will be joined by seven other state qualifiers, including #7 **Kyle Parco** (126) and #9 **Ankhaa Enkhmandakh** (160). Coach **Mark Halverson's** team has its sights on the finish line and don't mind coming in somewhat under the radar: "The kids are excited for the opportunity to compete and we have wrestled a schedule that has allowed us to see the majority of the competitors in the tournament, which we feel is a positive. We would be pleased with several medalists, a couple of golds would be great, and the team finishing in the top five. We have had several wrestlers in the past wrestle above their rankings – so the team understands that anything is possible at this tournament. I've had the opportunity to coach at several World Championships and the Olympics ... and like those two, this state tournament is full of tough competitors where no one is safe!"

Other teams to watch for a top 10 finish include **Frontier** (Central), **Del Oro** (Sac-Joaquin), **Bakersfield** (Central), **Northview** (Southern), **Monache** (Central), **Central** (Central), **Folsom** (Sac-Joaquin), **Calvary Chapel** (Southern), and **Clovis West** (Central).

## INDIVIDUALS PREVIEW

### 106 POUNDS

The burden of expectations has accompanied **Richard Figueroa** (Selma, Fr.) before he ever set foot on the mat as a high schooler. In the preseason, he finished runner-up at the prestigious Super 32 Challenge held in North Carolina, an event which attracts many of the nation's best and is considered one of the toughest tournaments in the country. Figueroa was also a Cadet All-American in freestyle (finishing 3rd) as an 8th grader. But he's lived up to a lofty reputation – arguably the nation's top lightweight freshman – by amassing a considerable body of work. Undefeated in CA competition, Figueroa has won titles at Doc Buchanan and Five Counties, on top of a 4th place finish at the Walsh Ironman in Ohio, the toughest regular season tournament in the country. He leads an impressive group from the Central Section, with runner-up **Carlos Negrete** (Clovis North, Fr.), **Hunter Leake** (Buchanan, So.), **Justin Mouritsen** (Clovis, So.), and **Ramiro Castillo** (Central, Jr.). Negrete is another freshman sensation, owning a 7th place finish at Walsh Ironman. At Gilroy Mid Cals, he was runner-up to North Coast champion and two-time Junior All-American **Blake Fredrickson** (Windsor, Jr.), who is undefeated on the season

and will enter the tournament as a title contender. Incredibly, a defending state champion at the weight won't be the favorite going in as **Jonathan Prata** (Downey, Sr.) lost to both Figueroa and Negrete at Doc Buchanan but don't count the NHSCA national finalist and Junior Nationals folkstyle champion out. He has all the tools and savvy to navigate through a loaded draw. Other top wrestlers vying for the medal podium include Southern runner-up **Bobby Pinto** (Northview, Sr.), Central Coast Champion **Jayden Gomez** (Gilroy, Fr.), and a strong contingent from the Sac-Joaquin Section – champion **Jake Stone** (Oakmont, Jr.), **Evan Ivaldi** (Del Oro, Fr.), **William Giron** (Turlock, So.). Also keep an eye on **Victor Atherton** (Arroyo, Sr.) and San Diego Champion **Tommy Lavigne** (Valley Center, So.).

### 113 POUNDS

Southern Section Champion **Antonio Lorenzo** (St. John Bosco, Jr.) is a four-time National All-American, two-time Super 32 medalist, and a two-time state medalist (finishing 3rd in CA last season). He's ranked #10 in the country and the favorite to climb atop the heap at 113 pounds. He has traded victories this season against San Diego super sophomore **Jason Miranda** (Poway, So.) at the Cerritos TOC and Temecula Valley tournaments. A potential finalist is **Aaron Nagao** (Esperanza, So.), the Southern runner-up and returning state medalist. The Central section is very well-represented with champion **Maximo Renteria** (Buchanan, Fr.) – who only has a single loss against CA competition this season. **Giano Petrucelli** (Clovis, So.) is a returning state medalist and Doc Buchanan champion. He split matches this year with Central runner-up **Tristan Lujan** (Selma, So.), who was Five Counties Champion and seeking his first state medal after reaching the quarterfinals last season. Sac-Joaquin Champion and Cadet All-American **Caydin Wickard** (Golden Valley, So.) is a contender, as well as Southern bronze medalist **Alex Ramirez** (Rowland, Fr.), an immensely talented freshman who may be peaking at the right time. Others in the hunt for state medals are Central Coast Champion **Eric Sanchez** (Silver Creek, Sr.), making his third state appearance, two-time state qualifier **Dillan Ajtun** (Downey, Sr.), **Christian Cabuag** (Monte Vista Christian, Fr.), **Easton Amuro** (Calvary Chapel, Sr.), **Gus Petruske** (College Park, Jr.), and **Trevor Bagan** (Analy, Sr.).

## 120 POUNDS

There will be nowhere to hide at this weight, perhaps the deepest weight class at the state tournament, featuring seven returning state medalists. Leading the pack is Rutgers-bound **Nico Aguilar** (Gilroy, Sr.), a four-time Cadet and Junior All-American, as well as an NHSCA national titlist and runner-up. With a pair of runner-up finishes at the state meet, all that's missing from his trophy case is the elusive state gold. He will be challenged by Naval Academy recruit **Jacob Allen** (Poway, Sr.), a returning state medalist who has a win (in three close matches) against Aguilar, Southern Champion and returning state finalist **Eddie Flores** (Northview, Sr.), a rugged CSU Bakersfield-bound competitor who finished 2nd at Junior Nationals folkstyle, and three-time Southern finalist **Luciano Arroyo** (Calvary Chapel, Jr.), who is seeking his third state medal in as many years. As always, the Central Section will be incredibly tough with their top three competitors all possessing state medals: champion **Devin Murphy** (Clovis North, So.), **Cole Reyes** (Frontier, Jr.), and **Brandon Paulson** (Clovis, Jr.). **Christian Nunez** (St. John Bosco) is a Jr. Nationals folkstyle champion looking for his first state medal after narrowly missing the podium in two previous appearances. Others to watch include Sac-Joaquin Champion **Brenden Johnson** (Del Oro, So.), finalist **Henry Porter** (Oakdale, Fr.), North Coast Champion and four-time state qualifier **Tony Margiotta** (Las Lomas, Sr.), finalist **Dakota Unpingco** (Freedom, Jr.), three-time state qualifier **Riley Siason** (Alvarez, Sr.), **Jacob Peralta** (Vacaville, Jr.), **Matt Vinci** (Cathedral Catholic, Sr.), and **Jonathan Viveros** (Kingsburg, Fr.)

## 126 POUNDS

The man to beat in this weight is Cadet National folkstyle champion and defending state champion **Cleveland Belton** (St. John Bosco, Jr.). Undeclared against CA competition, Belton has secured eight tournament titles so far this season, including gold at both Doc Buchanan and Temecula Valley. Exceptional in all phases, Belton is on path for a second state title this season. His main competition should come from freshman sensation **Ryan Franco** (Clovis North, Fr.), who announced his intentions with a pair of wins in back-to-back weekends against 2016 state champion **Ethan Leake** (Buchanan, Sr.). Franco achieved the rare triple crown at Cadet Nationals events – with two runner-up finishes in Freestyle and Folkstyle and a fourth-place finish in Greco-Roman. Northern Colorado recruit Leake, a four-time Central finalist, is aiming for his third state medal. CSU Bakersfield-bound **Chance Rich** will be making his third trip to state and looks to improve upon his 6th place finish in 2017. Three-time state qualifier **Angelo Martinoni** (Folsom, Sr.) has knocked on the door the past two seasons and will aim for a breakthrough during his final state trip. The Bay Area features a pair of talented competitors in Central Coast Champion **Chase Saldate** (Gilroy, So.), who has a win over Franco and a close loss to Belton, and two-time North Coast Champion **Kyle Parco** (De La Salle, Jr.), who is making his third state appearance. Other medal hopefuls include three-time state qualifier and Sac-Joaquin runner-up **Lokahi Tonge** (Elk Grove, Sr.), two-time North Coast finalist **Jose Fernandez III** (Upper Lake, Jr.), San Diego Champion **Jaden Le** (Rancho Bernardo, So.), **Collin Hayes** (Walnut, So.), three-time state qualifier

and Junior All-American **Aaron Perez** (James Logan, Sr.), two-time state qualifier **Cameron Santiago** (Poway, Sr.), and **Devin Holman** (El Capitan, Jr.).

## 132 POUNDS

The dominant presence at this weight has been **Jesse Vasquez** (Santiago, So.), who is ranked as high as #3 in national polls. As a freshman, Vasquez won the state title at 113 pounds and he has made a seamless transition bumping up three weights, starting the season with an impressive 6th place finish at Walsh Ironman. During the offseason, he was also crowned Cadet Nationals folkstyle champion and also earned runner-up at Super 32. At Temecula Valley, he defeated University of Wyoming recruit **Chase Zollman** (Poway, Sr.). Zollman has amassed an incredible resume on his own right with three San Diego titles and state medals (3rd, 5th, and 7th) in three previous trips to the state meet. With only one season loss, he will vye for a Saturday showdown under the spotlight. Ohio-State bound **Alex Felix** (Gilroy, Sr.) lost in a tiebreaker to Zollman at the Mid-Cals event and is certainly no stranger to stepping up in big events. He has three state medals of his own (a pair of 3rds and 4th) and is also a three-time NHSCA national finalist. Another competitor looking to make his mark at his final state appearance is four-time state qualifier **Elijah Palacio** (Edison, Sr.), who finished 8th in CA last season. Two-time state qualifier **Marcos Polanco** (Bishop Amat, Jr.) is another podium threat, as well as three-time state qualifier and Central Champion **Robert Areyano** (Selma, Sr.). Areyano is accompanied by a Central quartet of top 10 peers who have traded wins during the season, including Central finalist and returning

state medalist **Tyler Deen** (Buchanan, Jr.), two-time state qualifier **Andrew Bloemhof** (Bakersfield, Jr.), four-time state qualifier **Anthony Chavez** (Central, Sr.), and **Lajon Grier** (Clovis North, Sr.). Keep an eye on talented two-time state qualifier **Elijah Blake** (Del Oro, So.), who is looking to climb the state podium for the first time, as well as **Cael Valencia** (St. John Bosco, Fr.), two-time North Coast Champion **Dwayne Guerrero** (De La Salle, Jr.), three-time state qualifier **Aaron Diaz** (Canyon Springs, Sr.), and Sac-Joaquin runner-up **Sammy Silveira** (Pitman, So.).

## 138 POUNDS

This weight class equals 120 with seven returning state medalists but all should be chasing **Jaden Abas** (Rancho Bernardo, Jr.). Abas is ranked as high as #3 in national polls and has swept through the season, his only blemish a runner-up finish at the Walsh Ironman. He has remained undefeated against CA competition, with first place medals at Sierra Nevada, Doc Buchanan, and Five Counties. After finishing 2nd and 3rd during his first two state appearances, anything but gold will be a disappointment for the supremely talented Abas. Three-time Sac-Joaquin Champion **Lawrence Saenz** (Vacaville, Sr.) will be making his fourth trip to the state meet and the three-time Cadet and Junior All-American is in fine form, with only a single loss this season (to the top-ranked wrestler at 145 pounds). The Fresno State recruit should be in contention for a finals spot alongside **Matt Olguin** (Buchanan, Jr.), a three-time Central champion who won the state title two years ago at 106 pounds. Olguin also finished 3rd in state last year at 113 pounds and has adjusted incredibly well to a four-weight-class jump. During the past two weekends,

he has a pair of wins against **Dawson Sihavong** (Bullard, Jr.), a returning state medalist who was also a Cadet National folkstyle champion. Rounding out the top 10 is Southern champion and two-time state qualifier **Sonny Santiago** (St. John Bosco, So.), who beat Olguin en route to a runner-up finish at Doc Buchanan, three-time Northern Champion and state medalist **Dalton Lakmann** (Foothill, Sr.), who beat state medalist **Enrique Landeros** (Orland, Sr.) in a battle of two-time section champs seeking a third title, two-time state qualifier **Luis Ramos** (Selma, Sr.), three-time Sac-Joaquin finalist and two-time state medalist **Ricky Torres** (Oakdale, Jr.), and two-time state qualifier **Ryley Boutain** (Benicia, Sr.), who was a match away from placing at state last year. Also watch out for Southern runner-up and three-time state qualifier **Gabriel Cortez** (Northview, Jr.), **Luka Wick** (San Marino, Fr.), who has two wins in five matches against aforementioned Santiago, **Jonathan Orozco** (Oak Hills, Jr.) and an experienced group of three-time state qualifiers in **Michael Mello** (Oak Ridge, Sr.), Central Coast Champion **Dan Vizcarra** (Gilroy, Jr.), **Rocky Beckett** (Clovis North, Jr.) and **Joe Romero** (Lemoore, Sr.).

## 145 POUNDS

Five returning state medalists – including a state finalist – highlight this highly competitive weight class. Michigan State recruit and three-time North Coast Champion **Peyton Omania** (De La Salle, Sr.) is seeking an individual title after earning two state medals the previous years. The four-time Cadet and Junior All-American should see some serious challenges from two-time state medalist and NHSCA All-American **Tony Mendoza** (Selma, Sr.), as well as returning state

finalist and two-time Cadet and Junior All-American **Bernie Truax** (Rancho Buena Vista, Sr.). Truax has signed to continue his wrestling career at Cal Poly SLO, where he'll be joined by fellow signee and Sac-Joaquin Champion **Jake Ryan** (Oakdale, Sr.). Ryan has split matches with Omania this season. Also challenging for a top spot is returning state medalist and six-time Cadet and Junior All-American **Izzak Olejnik** (Bakersfield, Sr.), four-time state qualifier and Central runner-up **Chris Gaxiola** (Buchanan, Sr.), San Diego is also represented well with two more talented medal hopefuls in runner-up **Josh Tolentino** (Poway, Sr.) and sophomore standout **Tyler Badgett** (Rancho Bernardo, So.). Other medal contenders include Southern Champion **Adrian Salgado** (ML King, Sr.) and returning state medalist **Troy Madrigal** (Servite, Sr.). Keep any eye out for top freshman **Maxwell Wilner** (Fountain Valley, Fr.), **Steve Cardenas** (Sultana, Sr.), **Noah Cortez** (Dinuba, So.), and **Jackson Redhair** (Oak Ridge, Sr.).

## 152 POUNDS

As unpredictable a weight as any this year, 152 features a solid mix of returning state medalists and younger up-and-comers looking to spoil the party. There is no clear-cut favorite going into the state meet: sophomore standout **Dominic Mata** (Poway, So.) is #1 going in and aims to make it to the top of the podium this weekend. A returning state medalist, NHSCA All-America, and with five tournament titles to his credit this season, two-time San Diego Champion Mata will be challenged by Southern Champion and two-time Cadet Freestyle All-American **Trey Munoz** (Trabuco Hills, Jr.), the son of former NCAA Champion and two-time state champion Mark Munoz. Joining Munoz from the Southern

Section are two strong medal contenders in returning state medalist **Troy Mantanona** (Palm Desert, Jr.) and Southern runner-up **Jared Williams** (Edison, Sr.). Keep an eye on two-time Central Coast Champion **John Fox** (Gilroy, Jr.) and CCS runner-up **Daniel Woo** (Pioneer, Sr.). Each will be in the mix to contend for spot on the stand this weekend. Also contending for a spot in the finals is two-time Central Champion and three-time Cadet All-American **Jace Luchau** (Selma, Jr.) and three-time state qualifier **Beau Bradley** (Monache, Sr.), who was a match shy of placing in state last season. Other medal hopefuls include Sac-Joaquin Champion and Cadet All-American **JT Stinson** (Del Oro, So.), three-time state qualifier **Tristan Zamilpa** (Buchanan, Sr.), and San Diego runner-up **Jayden Smith** (Brawley, Jr.).

## 160 POUNDS

The odds-on favorites to reach the championship finals are two well-seasoned state competitors. They include Southern Champion **Joshua Kim** (Santiago, Sr.) and Sac-Joaquin Champion **Noah Blake** (Del Oro, Jr.). The Harvard-bound Kim is a returning state finalist, two-time state medalist, and five-time Cadet and Junior All-American. He has claimed several tournament titles this season, along with a 6th place finish at Walsh Ironman and a runner-up finish at the preseason Super 32 Challenge. Blake has an equally impressive resume with two state medals (4th and 7th) to his credit. At Doc Buchanan, he beat Central Champion **Joe Romero** (Buchanan, Sr.), and both should contend for a spot in the finals. NHSCA All-American Romero as a finalist at the weight in 2017 and will be vying for his third state medal. The Southern Section is represented well with two other medal hopefuls in returning state

qualifier and Five Counties Champion **Mike Goldfeder** (The Buckley School, Sr.) and runner-up **Nathan Vargas** (Sultana, Sr.). The Central Coast Section features champion and returning state medalist Joseph Barnes (Gilroy, Jr.), a three-time Central Coast Champion and NHSCA national champion. Also keep an eye on Stanford-bound **Alex Escudero** (Los Gatos, Sr.), who has earned Cadet All-American status. Other contenders for the podium include San Diego Champion **Calvin Naraghi** (Poway, Sr.), three-time state qualifier and two-time NHSCA All-American **Oscar Diaz** (Selma, Sr.), and North Coast Champion **Ankhaa Enkhamdakh** (De La Salle, Jr.), a Cadet All-American in Greco-Roman last summer. Keep an eye on a strong group from the Central Section including finalist **Albert Urias** (Ridgeview, Sr.), **Jarad Priest** (Bakersfield, Jr.), and a trio of two-time state qualifiers in **Max Aguirre** (Frontier, Jr.), **Arturo Rivas** (Firebaugh, Sr.), and **Daniel Long** (Dinuba, Jr.).

## 170 POUNDS

Returning state medalist and two-time NHSCA All-American **Christian Rodriguez** (Selma, Jr.) will be the favorite at the starting blocks. Winning the tough Central Section this year, the Fresno State-bound Rodriguez is joined by three other strong medal contenders from the Central Valley – the top 4 seeds all hail from the area. They include two-time state qualifier and NHSCA All-American **Mark Cardwell** (Monache, Sr.), **Trent Tracy** (Frontier, Jr.), a two-time state qualifier with four tournament titles this year, as well as four-time state qualifier **Dylan Miracle** (Madera South, Sr.). The Southern Section is well-represented with a strong contingent of medal contenders. They include champion and two-time state qualifier **Issaya Fin-**

**ley** (Righetti, Sr.), runner-up **Cole Pruitt** (Alta Loma, Sr.), two-time state qualifier **Mike Viramontes** (Hesperia, Sr.), and sophomore standout **Nathan Haas** (St. John Bosco, So.). Sac-Joaquin Champion **Gabe Martinez** (Oakdale, Jr.) will look to improve upon a strong showing at last year's state meet, where he feels just a match short of the medal rounds. Other medal contenders include San Diego Champion **Jacob Mendoza** (Poway, Sr.), **Hunter Gonzalez** (Rocklin, Sr.), **Matt Yang** (Bella Vista, Sr.), and Northern Champion **Russell Rucklos** (Foothill, Sr.), all making return trips to state. **Jadon Martin** (Buchanan, So.), **Diego Carrillo** (Etiwanda, Sr.), two-time state qualifier **Jonovan Smith** (Birmingham, Jr.), and North Coast Champion **Hussien Abushi** (Arroyo, Jr.) should contend as well.

## 182 POUNDS

Returning state champion and two-time finalist **Anthony Montalvo** (Buchanan, Sr.) is the clear-cut favorite to repeat this weekend. Montalvo has been consistent throughout the season with a lone loss coming in the finals of Reno TOC to an out-of-state competitor. He has signed with Oklahoma State and will take his talents to the Big 12 field next fall. Attempting to deny Montalvo from a second state title is San Diego Champion **Nathan Tausch** (Poway, Sr.). The Cal Poly SLO-bound Tausch will enter the state tournament as the No. 2 ranked wrestler with high hopes of claiming an individual title of his own. Three Southern Section wrestlers ready to engrave their names in the record books are champion **Guillermo Escobedo** (Bishop Amat, So.), runner-up and two-time Cadet All-American **Ryan Cosio** (Temecula Valley, Jr.), and bronze medalist and two-time NHSCA All-American Gerardo Hernandez (Capistrano Valley, Sr.). Last season,

all three missed the medal rounds by a single match. Three-time Central Coast Champion **Matthew Martinez** (Alvarez, Sr.) will be more than ready to stand on the medal podium, as well as Sac-Joaquin Champion **Breck Jeffus** (Turlock, Sr.). Others to watch are three-time state qualifier **Kyle Richards** (Folsom, Jr.), Northern Champion and three-time state qualifier **Quinn Simard** (Shasta, Sr.), two-time Los Angeles Champion **Carlos Gomez** (Birmingham, Sr.), and two-time North Coast Champion **Jack Kilner** (Granada, Jr.). Keep an eye on **Robert Maiden** (Stockdale, Sr.) who will be making his fourth trip to the state tournament, as well as Central runner-up **David Vardanyan** (Bullard, Sr.) and San Diego runner-up **Colin Murphy** (Rancho Bernardo, Sr.).

## 195 POUNDS

Stanford commit **Colbey Harlan** (Oakdale, Sr.) will be in the hunt of his first state championship after placing second the previous season. He is a Flo Nationals All-American and has been untouched by the rest of the competition this season, claiming titles at Reno TOC, Doc Buchanan, and Temecula Valley, among many others. Two returning state medalists that are 1-1 on the season and will probably compete one more time for the opportunity to advance to the state finals are two-time Central Coast Champion **Antonio Andrade** (Gilroy, Sr.) and two-time NHSCA Champion **Ryan Reyes** (Clovis West, Jr.). Both athletes have been head-and-shoulders above the rest of the competition. Stakes are high as Andrade is a returning state finalist while Reyes finished 3rd at the weight last season. Three-time Los Angeles Champion **Hamzah Al-Saudi** (Palisades, Sr.) will attempt to become his school's first state medalist this season after competing in this event the past two years. Along with Reyes, the Central Section has two strong medal contenders in three-time state qualifier **Jacob Good** (Clovis, Jr.) and **Zach Poore** (Buchanan, Sr.). Two-time North Coast Champion **Adrian Chavez** (Liberty, Jr.) was a round shy of advancing to the podium last year and could do it this week. Others to watch include San Diego Champion **Kalani Sorensen** (San Marcos, Sr.) two-time state qualifier **A.J. Bicocca** (Oak Ridge, Sr.), who finished second in his section behind Harlan, as well first-time state competitors in Southern Champion **Andy Voong** (Arroyo, Sr.) and runner-up **Jake Jakubec** (Exeter, Sr.).

## 220 POUNDS

Undefeated heading into the final week-end of the season, **Victor Jaquez** (Bellarmine Prep, Jr.) has a great opportunity to become the first-ever state champion for Bellarmine. Only a junior, he has garnered All-American honors at Fargo and NHSCA tournaments. Returning state medalist and Central Champion **Trevor Ervin** (Buchanan, Sr.) will enter the state tournament as the No. 2 ranked wrestler and will be making his fourth appearance at the state tournament. The Air Force-bound Ervin – who is trying to become the third consecutive Buchanan wrestler to win the weight class, after Zach Levatino (2016) and Cade Belshay (2017) – will be joined by Sac-Joaquin Champion **Isaiah Perez** (Pitman, Sr.), who is back from an injury that kept him on the sidelines for a portion of the season. The Fresno State recruit is a Super 32 Challenge and state place winner – and has advanced to the state tournament in four different occasions at 113, 138, 170, and now 220 pounds. The Southern Section is well represented here with four grapplers who could be on the podium on Saturday. They include champion **Brayden Ray** (Santiago, Sr.), returning state medalist and three-time state qualifier **Joey Daniel** (Santa Ana, Sr.), two-time state qualifier **Erich Osteen** (Chaminade, Jr.), and four-time state qualifier **David Aranda** (St. John Bosco, Sr.). Four-time Northern Champion **Tony Rogers** (Chester, Sr.) will be in contention to gain his first state medal after finishing in the round of 12 the previous two years. Others to watch include San Diego Champion **Dane Martinez** (Brawley, Sr.), two-time state qualifier **Javier Espinoza** (Poway, Sr.), Central runner-up **Justin Darter** (Bakersfield, Fr.), and three-time state qualifier **Jose Reyes** (San Fernando, Sr.).

## 285 POUNDS

In the land of the heavyweights, there's **Seth Nevills** (Clovis, Sr.) and then the rest of the field! Nevills is scheduled this weekend to become only the third wrestler in the boy's division to win his fourth consecutive state championship – joining an incredibly exclusive duo of four-timers in Darrell Vasquez (Bakersfield, 2002)

and former teammate Justin Mejia (Clovis, 2017). He is also looking to win an unprecedented ninth overall state title for the Nevills clan, following titles by older brothers Zach, Nick, and AJ. Keep in mind the Penn State-bound Nevills has never lost to a CA competitor and it'll require a truly seismic upset of historical proportions for any wrestler to top Nevills this weekend, let alone survive a full six minutes against him. A phenomenal wrestler on his feet, Nevills could go down as one of the best upper weight wrestlers in our state's history. Close behind and a strong contender to reach the finals is returning state medalist and two-time Cadet All-American **Jake Levengood** (Vacaville, Sr.), who is undefeated against CA competition this year. The Southern Section has a trio of excellent wrestlers that will be more than ready to challenge for the medal stand. They include champion **Tony DaCosta** (Torrance, Sr.), runner-up **Josh Tarango** (Canyon, Sr.) who is making his state debut, and two-time state qualifier **Randy Gonzalez Jr.** (Lakewood). **Nicholas Villarreal** (Gilroy, So) is a two-time Central Coast Champion and looks ready to make a run at the title after coming up short last season. As the weight class is often quite unpredictable, any number of different wrestlers can find themselves on the medal podium on Saturday night. Central Coast runner-up and two-time state qualifier **Anthony Gomez** (Christopher, Sr.) looks ready for a deep run, as well as Central runner-up **Xavier Moran** (Selma, Sr.), who's also making his second trip to state. Keep an eye on San Diego Champion **Andrew Johnson** (Poway, So.), **Mike Jeffus** (Turlock, Jr.), and **Daniel Garcia** (Hesperia, Sr.).

# State Championship History

by Lynn Dyche

The first CIF State Wrestling tournament was held at Cal State University, Hayward in March 1973. I had the pleasure of organizing and directing this tournament. After making a presentation to the CIF to have a true state tournament, it was approved on a one-year trial basis, and 46 years later it is reputed to be one of the best high school state tournaments in the nation. In fact, Mr. Fritz McGinnis, the former director of the NFHS, visited our state tournament, and after observing the competition he said, "I've seen a lot of state tournaments, but I have never seen such outstanding competition from the first round through the championship finals."

Many changes and improvements have occurred. We started with a 24-man wrestling bracket with only six medalists; now we have a 40-man bracket with eight medalists. The first tournament had six wrestling mats in a college gymnasium. A few years later we moved into Spanos Arena, Stockton and utilized eight mats. Spanos Arena became too small to host the many wrestlers, coaches and spectators that attended. Since 2004 the state tournament has been held in the spacious Rabobank Arena in Bakersfield. In addition, we use 20 wrestling officials so that each mat has a referee and assistant referee starting with the quarter finals. We have a double elimination tournament which gives each wrestler at least two opportunities to take home a state tournament medal. In 1996 a 14th weight division was added. Also, during the 2006-07 wrestling season a mandatory weight certification program was established.

Spanos Center, on the campus of the University of the Pacific in Stockton, was the home of the CIF State Boys Wrestling Championships from 1987-2003.

Additionally, 2011, marked another first in CIF Wrestling, a girls' state tournament. The 8th annual CIF State Girls Wrestling Championships were held at the Visalia Convention Center February 23-24.

When recalling some of the outstanding wrestlers who have represented their CIF Sections at this tournament, there are many who were two-time state champions. There are only twenty-two wrestlers that have won three state titles and they are: David Lee, Lawrence Jackson, Mark Gerardi, Jimmy Aguirre, Scott Chapman, Eric Guerrero, Stephen Abas, Jacob Palomino, Alex Tirapelle, Nathan Morgan, Troy Tirapelle,

Brian Moreno, Louis Bland, Jason Welch, Alex Cisneros, Morgan McIntosh, Isaiah Martinez, Nikko Villarrael, Nick Nevills, Anthony and Zahid Valencia, and Seth Nevills. Even more impressive, in 45 years there are only two wrestlers who have won four state titles and they are Darrell Vasquez (Bakersfield HS, 2002) and Justin Mejia (Clovis, 2017). This year, Seth Nevills (Clovis) has an excellent chance of capturing his fourth state title.

At the 2012 Olympic Games our third State CIF Champion was added to the list of Olympic Gold Medal Wrestling Champions when Jake Varner (Bakersfield HS) joined Dave and Mark Schultz in the winners' circle.

I have missed only one state tournament. If I had to choose two wrestlers who were dominant wrestlers it would have to be Jason Welch and Seth Nevills. Jason finished second as a freshman and won the state title as a sophomore, ju-

Rabobank Arena, Bakersfield has been the home of the CIF State Boys Wrestling Championships since 2004. Ten mats are used simultaneously on the first day of the tournament allowing for 40-man brackets in each of the 14 weight divisions.

Darrell Vasquez of Bakersfield HS (1999-02) stands alone in tournament history as the only four-time State Champion, winning titles at 103, 112, 119 and 125 pounds.

# State Championship History

Jason Welch won three State titles after finishing second as a freshman. He earned State Championships with technical falls.

nior, and senior. He either pinned or won by technical fall (15- point advantage) over the great majority of his opponents. In the championship finals as a junior and senior Jason gave everyone a wrestling "clinic" as he completely dominated both of his opponents while winning both matches by technical falls. Seth has ruled the heavyweight class the past three years pinning 90 percent of his opponents and has rarely been scored upon by any California wrestler.

I was also very impressed at the 2015 state tournament with the three St. John Bosco wrestlers in Cade Olivas, Anthony and Zahid Valencia. All three wrestlers dominated their weight division. In addition, the Clovis wrestling team repeated as state champions and the three Nevills boys have certainly helped Clovis remain a dominate wrestling power in the state and nation. The past two State Tournaments have featured a new championship team. Buchanan captured the 2016 and 2017 State Championships and they are heavily favored to repeat as state champions this year.

I would be remiss if I did not mention some of our state champion wrestlers who have given back to our sport as wrestling coaches. No one needs to remind us of John Azevedo who coached Calvary Chapel to seven State Championships, and was the head wrestling coach at Cal Poly, San Marino and now Paso Robles. Rod Balch had an exciting tenure at Clovis; Anthony Palomino coached at Independence and Overfelt. Ricky Palomino is at Bellarmine, Gus Paz coaches at Watsonville and Matt Olejnik coached at San Benito for many years. Lyndon Campbell coaches at Temecula, Dwayne Buth is coaching at La Costa Canyon, Steve Strange coached at Central Catholic and is currently at Oakdale,

Rob Vierra at Oxnard and Troy Tirapelle is coaching at Buchanan. Harlan Kistler coached at Martin Luther King HS in Riverside; Jacob Palomino coached at Independence and Silver Creek. Dan Chaid coached at Archbishop Mitty; Steve Lawson is at El Dorado. Marco Sanchez coaches at Gilroy and is also the school principal. Brett Columbini coaches at Windsor, Tony Okada is at Servite, Jimmy Medeiros is at Birmingham, Marcio Botelo at Lemoore, and Louis Bland is at Central Catholic. Eric Guerrero was the assistant head coach at Oklahoma State University, but has moved on to the University of Oklahoma as the Club Coach. Adam Tirapelle assisted at Illinois and now is an assistant at Clovis, and his brother Alex was the assistant coach at UC Davis and is currently the head wrestling coach at the University of Pennsylvania. Daryl Pope assisted at Cal State Bakersfield for many years. Dave Schultz coached at Wisconsin and Mark Schultz coached at BYU, and both Mark and Dave coached at Stanford.

Others who have coached wrestling include Josh Holiday, Joe Calavitta, Mike Burch, Steve Hilas, Eric Wais, Dan and Adam Cuestas, Brody Barrios, Can Tran, David Barnes, Scot Lawson, Joe Trigg, Steve Barrett, Lalo Moz, Gary Miller, Adam Coffing, Casey Strand, Oscar Gonzales, Tony Gomez, and Cleo Johnson.

Before becoming collegiate and international superstars, Mark and Dave Schultz experienced success as elite high school wrestlers at Palo Alto HS. In 1978, Mark didn't win any tournament matches until State qualifying meets where he won the league, region, Section and State title in the 154-pound weight class. Older brother Dave won the 165-pound State title in 1977. Both later won NCAA titles and Olympic gold medals in their careers.

Many other wrestlers who were not state champions have also returned to coach wrestling at our high schools. Only Rod Balch and Anthony Palomino, who were state champions, returned to their high schools to coach wrestling and coached their team to the State Championship.

A continued attempt has been made to maintain the highest standards operation for this tournament. There is an evaluation system in place where the officials are evaluated throughout the tournament and ranked, based on their officiating at the tournament. The top 10 ranked officials automatically return to the next State Championship to insure continuity of officiating.

We have established a California Wrestling Hall of Fame and will induct 10 individuals into the 19th induction class at the California Wrestling Hall of Fame Induction Banquet to be held Saturday, May 5, at the Laguna Hills Community Center. One hundred and ninety individuals have been inducted to date, and the Hall of Fame has recognized one hundred thirty-seven individuals with the Lifetime Service Award. This year we will be presenting the Lifetime Service Award to 16 individuals at the Hall of Fame Banquet. For additional information check out the HOF website at: [californiawrestlinghalloffame.com](http://californiawrestlinghalloffame.com).

During the past 46 years many individuals have given administrative support to make our state tournament such a successful event. I would like to recognize Bob Steuart, Margaret Davis, Jack Hayes, Marie Ishida, John Tarman, Ron Nocetti and Roger Blake for their support and guidance. In addition, a special thanks to Dr. Roger Oraze, David Jackson, Camille Maben, Sheri Ross and Brian Seymour who have contributed tremendously as members of the CIF Wrestling Advisory Committee. A special thank you goes to Sandy Stevens who has been the announcer for 27 years.

Finally, I would like to thank the many wrestling officials who have officiated this tournament over the past 46 years. Individuals such as Pat Lovell, Monty Muller, Duane Morgan, Ray Wallace, Dick Morris, Ralph Stansbury, Keith Pickard, Mike Harr, Amador Galvez, Mike Perez, Randy Hartman, Rob Alleman, Abram Ross, Mark Hayes, and Cory Salmon are committed to providing the best officiating for this state tournament year after year.

We have had some great memories these past forty-five years, and we hope that this year's 46th State Tournament will be both exciting and a lasting memory for you.
